

## CRONIMET GROUP

- ... is active on six continents around the globe with more than 1,500 employees.
- ... has around 70 subsidiaries and representative offices globally.
- ... is world market leader in stainless steel recycling.
- ... is passionately working to maximise the share of recyclable metals.
- ... is a family owned business with longterm experience since 1980.

## WE ARE WORKING ON A RECYCLING ECONOMY

THAT CONNECTS RAW MATERIAL DEMAND AND RESOURCE PROTECTION.

## CONTRIBUTING TO A SUSTAINABLE ECONOMY

Recycling stainless steel scrap helps to save carbon emissions. According to a study by the Fraunhofer Institute IMWS on behalf of BDSV, 2019, this amounts to 4.3 tons of carbon emissions per ton of stainless steel.

## THE WIDTH OF OUR PRODUCT RANGE

### RECYCLING

Our qualities

- STAINLESS STEEL SCRAP
- HSS & TOOL STEEL SCRAP
- TUNGSTEN CARBIDE & TUNGSTEN ALLOY SCRAP
- TITANIUM SCRAP
- SUPER & SPECIAL ALLOY SCRAP
- NON-FERROUS SCRAP
- FERROUS SCRAP
- FOUNDRY SOLUTIONS (CRONIFOND)
- AVIATION RECYCLING
- BATTERY RECYCLING
- CREMATION & HEALTHCARE SCRAP

### PROCESSING

Our expertise

- METAL POWDER & SLUDGES
- SPENT CATALYSTS
- DRILL CUTTINGS
- MINING WASTE
- BATTERY MATERIALS
- FERRO ALLOYS (SMELTING & POWDER PRODUCTION)

### TRADING

Our products

- FERRO ALLOYS
  - Ferro Nickel
  - Ferro Chrome
  - Ferro Niobium
  - Ferro Bor
  - Ferro Vanadium
  - Ferro Tungsten
  - Ferro Titanium
  - Ferro Molybdenum
  - ...
- METALS
  - Nickel
  - Chromium
  - Molybdenum
  - Cobalt
  - ...
